General Report Comments: I went to do a recheck at the Plaasmol Padstal. The manager Isabell was off sick and Nonnie who is also a owner was not there. I went to check on all the animals. All the animals is in acceptable conditions. Water, food and shelter is available. None of the workers could help me with the checklist and said that I must wait for Nonnie or come back when Isabelle is back. I will complete the checklist when I do a recheck.
