CHECKLISTS

General Report Comments: Upon arrival, I was met with Eddie, who is the floor supervisor. David was currently in Cape Town and could not meet with me. Eddie and I, did a proper walk though and several suggestions were made as to how to reconstruct the stun box, which is currently the biggest problem.

No animals were at the abattoir and Eddie also advised that no animals will be slaughtered today.

I will go past the facility tomorrow mornign again to see what has been done regardign the stun box.
