General Report Comments: Upon arrival, I was met and granted access to the property by the owner, Natasha.

I came by today to find out if they sold the rabbits. Natasha advised that the rabbits were sold over the weekend. I went to the back to make sure. The rabbits weren't here.

I did a check on the other animals. All their basic needs are met and not contravention in terms of the APA was observed. For full particulars of this inspection, refer to attached checklist.
