Comments:	After receiving a call from Sarah Adonis,i went out and it looked like the puppies had died inside the mother's stomarch. There was some fluids that was coming from the dog's vagina and it smell very bad. Sarah had told the owner's daughter Linkie that the SPCA will come and operate the dog and bring the dog back. The owner didn't want to surrender the dog and i informed her that i was going to issue her a 24hour warning and she then decided to surrender the dog. The admission number is D15333
