Type: DISCUSSION WITH SENIOR INSPECTOR / MANAGER

Comments: I went to apply for a warrant at the Hopefield magistrate court but the magistrate was late. I left the warrant with the clerk of the court, Lee Ann and she said that she will contact me as soon as the magistrate has signed the warrant. I went to do my cases and asked our receptionist Loraine to phone the court, Loraine did and told me that Lee Ann said that the magistrate is in court. I waited the whole day but had no response from the Hopefield magistrate court regarding my warrant application. Will follow up.
