General Report Comments: I was met by the owner Buyela that granted me access to the property. On the property I observed 4x dogs. The pitbull female has a skin problem but Buyela has been treating the skin problem with Dazzle dip,he went inside the house and came out with the dip. I can confirm that it is dip that he is using. The other 3x dogs does not have any skin problems. I educated Buyela on how to use the dip,I told Buyela to dip the dogs once a week for 6 weeks for the dip to be effective. Water and shelter was observed. Body conditions of the dogs is acceptable. No dogs were seen with car oil on them,I also explained to Buyela that he can't use car oil to treat the skin problem. I issued warning W6997. Will follow up.
