General Report Comments: There were no grown ups at home,a boy came out and told me he is a family member. I asked him to see the dog that is underweight and he called Emma,a brown pitbull x female. Emma had puppies recently and her body condition is not what it use to be according to the young boy. I asked if they have food for Emma and he said yes but couldn't show me any. Water and shelter is available. I issued warning W6151 to provide Emma with puppy food so that she can put on some weight. Will recheck.
