CHECKLISTS

General Report Comments: On arrival I met Meagan who informed me that the dog named Duke was surrendered to the SPCA a couple of weeks ago. She took me into the property and we walked right round the house and inside the house but I didn't observe any animal. I contacted the Inspectorate Manager Louise Van Zyl to check on the welfare tracker and she confirmed that the dog was surrendered on the 15th of September and I called the complainant and she told me that she took the pictures on the 26th of September but she seemed not sure of the dates
