General Report Comments: Abongile was at home and allowed me to do the inspection. The dog named Lipsy is at the back of the house and he has some some open wounds that are not life threatening. There was no fresh drinking water available for the dog and i ordered Abongile to provide drinking water and he did provide whilst i was at the property. Abongile informed me that his main concern was the street dogs in a street called Govan Mbeki and I advised him to report it to the Law Enforcement as it is a Bye-Law contravention. The following are the contraventions of the APA which I observed .
(1)No potable drinking water
(2) Dirty living environment
(3) Vet treatment.
I issued a 24hour Warning
