General Report Comments: I went to do a welfare check on Amelia's dog. As we walked to Amelia's house I saw 1x brown and white terrier x female on a short chain. Upon closer inspection I saw that the dog, named Kelly is also a bit underweight. Amelia claims that they feed the dog meat and bread. Shelter and water is available. I issued warning W6161 to provide Kelly with adequate food and that they must install a running chain so that Kelly can have more space. Will follow up.
