General Report Comments: I was granted access to the property by James,who is a family member of the owner. On the property I observed 1x black and white pitbull male and 1x brown pitbull x female who just had puppies. The female is very thin because she is feeding the puppies. Water and shelter is available. I issued warning W6162 to provide the female with puppy food and to also provide the male with adequate dog food and not maize meal. Will follow up.
