Inspector:	PATRICK CHIWAWA
Type:	CALL RECORD - MADE
Follow-Up Date:	
Comments:	I couldn't find the correct address as the one provided by the complainant belongs to JR Services and there is no dogs at this company. I tried to call the complainant but she didn't answer and Loraine also tried but she also didn't answer. I then went to ACVV an old people's home after I was informed by Loraine that she claimed to work there but the people at ACVV told me that there is no such person at that place. They also tried to call her but she didn't answer her phone. I'm closing this case and will reopen if she calls again.
