General Report Comments: On arrival at the Weskus Padstal I was met by Claire who is the owner of the facility . I informed her about the complaint which the SPCA had received and she confirmed that there was four parrots that were sick and they were taken to Yzerfontain Veterinary Clinic for treatment . She provided me with copies of the invoices as proof of treatment. All the animals which I observed, none showed any sickness or lameness. The issue of hot weather was also addressed and on top of the cages there is water sprayers which Claire said they swich on when it's too hot. I observed water,food,shelter and some environmental enrichments. On this visit I didn't observe any contravention of the APA.
