General Report Comments: I was met by Alice who is the owner of the dogs on the property . On the property I observed the brindle terrier x female and 3x puppies. Alice told me that the other puppies are already gone and these 3x puppies also have new owners. Alice took me inside the house where she showed me 1x 20kg puppy food and 1x 20kg adult dog food. The owner has adhered to the warning and has provided the dogs with adequate dog food. The brindle female terrier x body condition is acceptable. Water and shelter is available.
