General Report Comments: There were no people at home. On the property I observed 2x terrier x dogs lying in front of the house. Both dogs body conditions is acceptable and they are very active because they came running to the fence when I approached the house. Shelter is available. I am not a vet bit I have seen dogs with tickbite fever and none of these 2x dogs look like they have tickbite fever. I issued a warning to provide the dogs with potable water and adequate dog food. Will follow up.
