General Report Comments: I was granted access to the property by Mrs. Kanow who is the owner of the dogs. On the property I observed 1x black pitbull female and 1x brown and white pitbull male. Both dogs are a bit underweight. The owner says that they do have food and went inside to get a 8 kg of Epol adult dog food. Water and shelter is available. I educated about deworming the dogs and providing puppy food. The owner told me that they will change the dogs food and also deworm both of them. I issued warning W6175. Will do a recheck with 2 weeks to see if there is any improvement in their weight.
