| VETERINARY PROBLEMS / HEALTH CO | No                         |
| CONFINEMENT OF ANIMALS          | Free roaming - in property |

General Report Comments: On arrival I met Dominique who is 15years owner of the animals. She took me inside the property and all the animals have access to fresh drinking water,shelter and food. The body condition of all the animals I observed is acceptable. After contacting the complainant he claimed that yesterday morning the goats were very thin of which I suspect that this might be a neighbourly dispute. The living environment is clean
