General Report Comments: There was no adult people at this property and I spoke with a 10 year old girl named Joh-Mari Engelbrecht who gave me all the details of her mother and the dog's name. The dog named Zoey has seven puppies. She is on a short static chain with a collar. Her body condition is fair and acceptable. I observed water and shelter. I issued a warning advising Zelma to either remove the dog from the short chain or to set up a running line. There was no adult people to sign the warning and I gave it to Joh-Mari.
