General Report Comments: I went to do a welfare check at Hawk and I met Verbiest's daughter who introduced herself as Chantel Roux. It was too hot and most of the dogs were inside the kennels. I observed water and shelter. There is enough dog food. I observed two deep freezers full of fresh meat, 8×200litre drums with droewors and 2× 200litre drums with fresh meat.
All the dogs that I observed are in a fair and acceptable body condition
