General Report Comments: I went to do a recheck to see if theLuna has been put on a running chain. I also took a kennel with because Luna's kennel is made out of corrugated roof sheeting and can get warm during this summer months. Upon arrival I was granted access to the property by the owner Mr. Van Zyl. Mr. Van Zyl told me that Luna is off the chain now because they have seperated the back yard from the front with a wire fence. At the back I observed Luna roaming freely. Water and food is available. Body condition is acceptable. Mr. Van Zyl expressed his gratitude afor the kennel. NFA until further notice.
