CHECKLISTS

General Report Comments: Quinton Samuels granted me access to the property. I asked Mr. Samuels about the dog that was being kept in the enclosure and he told me that he gave the dog to his cousin who stays in Vredenburg. I went with Mr. Samuels to the back of th property,where he showed me the enclosure,no dog was seen. Mr. Samuels told me that he gave the dog away because his property is not fenced and he can't keep the dog in the enclosure as the dog started to stress. Mr. Samuels did not want to disclose the whereabouts of the dog as he is afraid that we will take the dog. No animals on the property. NFA until further notice.
