General Report Comments: Russel who works for the owner Adjiet gave me access to the property . On the property I observed 1x brown Boerboel female called,Sasha. Sasha is a bit underweight. I asked Russel if they have food for the dog and he went into the store room and came out with a bag of Benji dog food. I told Russel that,Benji dog food is not adequate and my personal opinion is that,that brand of dog food should be removed from all the shops who sells it,because it's not adequate dog food. Water and shelter is available for Sasha. I issued warning W6180 to provide Sasha with adequate dog food. Will follow up.
