General Report Comments: When I arrived the dog named Casper was running freely inside the property. Mr Klasen was very upset and he later calmed down. Casper is aggressive towards strangers and Mr Klasen had to put him on a leash as casper's owner who is Mr Klasen's son was said to be working. The dog's body condition is good and acceptable. Water and shelter observed. I tried to contact the complainant but she is not picking her phone nor returnig the call. There is no contravention of the APA and there is no welfare concerns.
