General Report Comments: On arrival at the property Mr Pepper who is renting was not at home. Anthea allowed me into the property. Mr Pepper have got two adult dogs and four puppies. The two adult dogs are tied with ropes to trees. All four dogs body condition is fair and acceptable. There was no water available for all the dogs and I ordered Anthea to provide fresh drinking water which she did. The body condition of all the dogs is acceptable.
The black and brown dog does have shelter and the puppies sleep inside the house. The dog named Charlette does not have shelter. The living environment is clean. I issued a warning and I will re-check.
