General Report Comments: The dog named Bobby was on a short static chain of about 2m long when I arrived. Bobby is a very friendly dog and likes to play with the kids. I asked Linda to let the dog loose and the dog was running up and down playing with the kids. Water, food and shelter observed. The dog's body condition is fair and acceptable. The living environment is clean. I issued a warning advising Linda to remove the dog from the short chain.
