General Report Comments: I went out and on arrival I met Warren who is the owner of the horse named Sultan . The horse is on a long rope of more than 20metres long. The horse was involved in a fight with another stallion and the other horse was badly injured. Sultan can reach the water drum. Sultan's hooves needs to be trimmed as they are overgrowing. The horse's body condition is fair and acceptable.
I issued a warning advising Warren to trim the horse's hooves
