| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** Unknown,no people at home. |                        |

General Report Comments: Upon arrival I was met by the neighbour who told me that the owners will be home tomorrow and that the dog is not abandoned. The neighbour also told me that he is feeding the dog. On the property I observed 1x black terrier x male on a +- 3 meter long chain without a collar. The dog also does not have shelter. Water was available and the dogs body condition is acceptable . I issued warning W6185 to put the dog on a running chain, provide a collar and to also provide adequate shelter. Will follow up.
