General Report Comments: There is 8 dogs on this property. There is three boerboels and five dachshunds. All the dogs that I observed are in a fair and acceptable body condition. The boerboels have got a wendy house which they use as shelter. The dachshunds sleep inside the house. At the back where the boerboels are there is a lot of old dog feces. All the dogs are running freely inside the property. Water and shelter observed. I issued a warning advising Mr Henk to clean and maintain the area around the dogs.
