General Report Comments: I got a call from Gavin informing me about his puppy that was kicked by three young boys of about 7-10years of age. The female puppy named Ajas screamed when one touched her right back hip . The puppy can put the paw on the ground but she showed discomfort and can't use the leg. The three boys admitted to kicking the puppy and I also spoke to one of the boys parents. I issued a warning advising Gaven to seek vet treatment within 24hours.
