General Report Comments: I went to the address and was met by Mr. Kotze who is the owner of the property. Mr. Kotze told me that his tenant went to the Free State and left his dog alone in the flat. I went to the flat and saw 1x brown and white pitbull female inside the kitchen,the dog has access to the house and the courtyard. Body condition is acceptable. I contacted the owner ,Pieter and he told me that the person who was looking after the dog had to go to the Northern Cape for a emergency. Pieter then called Mr. Kotze and asked if Anton who is also a tenant on the same property can't look after the dog until he comes home. Anton and Mr. Kotze agreed that they will be taking care of the dog until Pieter comes back. Water and food is available. Will do a recheck.
