traumatized. On the Thursday 23 January 2025 I was told by him, when I got back from an errand "there is something wrong with the chicken" who was lying face down in the sand. Upon further inspection - when carrying the chicken to my landlady - and blood on my T-shirt - the chicken was bleeding from the rear. It was immediately clear to me that had occurred. The chicken was suspected to have been raped + disembowelled + died in my landlady's arms a few minutes later.

I KNOW AND UNDERSTAND THE CONTENT OF THIS STATEMENT.

I HAVE NO OBJECTIONS TO TAKING THE PRESCRIBED OATH.
