Comments:	I received a complaint from Claudine about a bakkie that was selling chicken since morning and the chicken doesn't have water. Claudine informed me that the bakkie was in Amandelboom street and I went into that street but the people informed me that the bakkie left. I managed to get the contact details of the person selling the chicken but I couldn't get his name and surname. He lives in Witsand and he is the owner of the house number 691 Amandelboom in Darling. I tried to call him and he informed me that he was driving so he can't talk. He informed me that he will call me. I will call him tomorrow the 19th if he doesn't get back to me today. The registration that I got from the complainant is CK84276
