| Comments:       | I contacted Werner Swanepoel again today to provide him with feedback and told him that I have been to the property and that it is feral cats. I told him that if they want to surrender the cats to the Vredenburg SPCA they are welcome to do that. Mr Swanepoel said that he will not catch the feral cats to give to the SPCA as we are going to kill it within 3 months. I told Mr Swanepoel that then there is nothing further that we can do in this regard. |
