CHECKLISTS

General Report Comments: I was doing door to door inspections and saw a dog that the owner said the name was Meisie of about 3 years old that did not look well. I spoke to the owner and advised regarding the distemper outbreak in the area. The owner said that the dog does not eat and is falling over. I told owner that dog must be taken to a vet and the owner said they cannot afford a vet. They decided to sign over the dog to the SPCA. I took the dog and humanely euthanased the dog at the kennels. NFA untill further notice.
