General Report Comments: On arrival I met Shane Rossind who lives at the back of the property. He called Kosie the owner of the dog and she allowed me into her kitchen where she was busy cooking. I told her that I was there to conduct an inspection and she informed me that I mustn't open the door as the dog named Rambo was going to bite me. Shane told Kosie to surrender the dog as Shane and the other man who was lying on his bed told Kosie that it's not fair on the dog as the dog always scream at night because of pain. Kosie started screaming and informed me to take the dog but I told her I can't and she gave Shane the go ahead but she was very emotional. Shane couldn't pick the dog as he is very heavy so I had to put the cage on the ground. Shane signed the Admission form
