General Report Comments: I responded to complain about the people staying in the bush and they have a very skinny dog. I asked the law enforcement officers to accompany me to the fields . We searched the field and to get one guy sleeping there and we asked him where is the dog. He told us that they don't have any dog there the only dog that comes is staying in number 16 leyden street we went to the property and we found the dog there and the owner confirmed that the dog jumps the fence and wonder there in the bush. I advise her to sterilize the dog and she agreed that they will sterilize her also advise her to feed the dog twice because she has puppies NFA
