General Report Comments: Upon arrival I was met by Francois Esau the owner of the dog. I saw 1x tan pitbull x female loose on the property. I could see that the dog has a injury to the ear. I asked Francois what happened to the dogs ear and he told me that his dog, Tessa was attacked by another pitbull and Tessas ear was hanging on a thread and then he decided to cut the piece of ear that was hanging off. I told Francois that he is not a vet and in no position to make such decisions, the best would've been to get the dog to a vet. Francois decided to surrender the dog Tessa because he can't afford a vet. I issued Francois with a warning W6033. Refer to admission D11701. No other animals on the property. Nfa until further notice.
