General Report Comments: I saw 2x terrier x dogs on short chains without collars. I stopped and a lady came from inside the house. The lady introduced herself as Shahida Cloete then owner of the 2x dogs. Shahida told me that the dogs are tied because their property is not fully enclosed. I told Shahida that I understand that she wants to keep the dogs safe but the way the 2x dogs are chained is unacceptable. I educated Shahida on running chains and to also provide the dogs with collars. I issued warning W6030. Will follow up.
