General Report Comments: I was met by Dean Marais the owner of the property and also the dog in question. I observed 1x brown pitbull female on a running chain with a collar. Water and shelter is available. I had a talk with Dean about the body condition of the dog and that it needs to improve. I asked Dean what he is feeding the dog and he told me that the dog eats what they eat. I told Dean that the food they are giving the dog called Myre is not adequate. I also told him that he needs to deworm the dog as well. I issued warning W6034. Will follow up.
