CHECKLISTS

General Report Comments: I was met by the owner of the property who introduced herself as Azalia . I asked Azalia if I can see the dogs on the property and she told me that the dogs are roaming in the streets,I checked on the property and there were no dogs seen. Azalia told me that she wanted to call the Spca to come and fetch the dogs because the 2x dogs don't belong to her. I told Azalia to keep the dogs inside the property so that my colleague can come and fetch them on Friday. Will follow up.
