General Report Comments: I responded to complain about the dogs have attacked a bunch of sheep in the street. I arrived at the scene and the owner was there and I observed the sheep in the bakkie some of them were still bleeding and some of them couldn't get up and some already had died. I told him that we can't prolong the pain and suffering to the sheep and the owner agreed I then called my inspector October and report the incident and he spoke to the owner that I must humanely euthanase the injured sheep.
