General Report Comments: I was met by Carlin Meyer who is the owner of the property and the puppy in question. I asked Carlin to see the puppy, she went inside the house and fetch the puppy. I could see that the puppy is sick and I asked Carlin if they have money to get the puppy to a vet and she said they don't have money right now and can only take the puppy to the vet on Saturday. I told Carlin that I can't allow that because we will only be prolonging the suffering of this poor dog. Carlin agreed and surrendered the puppy. Refer to admission D9694. The other animals on the property is in acceptable conditions. Nfa until further notice.
