General Report Comments: I did a door to door at the property and I saw a enclosure looking like a dog kennel and I stopped by to see if it was a kennel and it is dog kennel. Upon arrival I saw 1 dog on a short chain inside the kennel.
It looks like they have not clean the feaces for a while. I left the notice to comply for the owner to provide a runner for the dog and clean the area and place the water bowl under the shade I will recheck after 5 days.
