General Report Comments: Bridget Titus let me onto the property where I observed 1x black terrier x male that looked sick. I asked Bridget what is wrong with the dog and she told me that Sky started not feeling well over the weekend. Bridget told me that her brother contacted the Spca because they can't afford a vet. Sky was surrendered to the Spca, refer to admD 11703. I issued warning W6038 to take any animal that is sick or injured to the vet within 24 hours or to call the Spca if a veterinarians service can't be afforded. Nfa until further notice.
