General Report Comments: Upon arrival o saw that the 2x dogs are loose on the property. The female boerboel x was not limping like a few days before. Elzette came out and told me that they have decided to keep the dogs loose. She then went inside the house and came out with wound spray that they have bought the the wound on Mia paw. Water and shelter is available. I will do a recheck to see if the dogs are still loose. Will follow up.
