CHECKLISTS

General Report Comments: I was doing door to doors in Riverlands and came across puppies that did not look well. I advised the owner of distemper that is in the area and told her that she needs to take her dog to the vet. She told me that she cannot afford a vet. I gave her the option to surrender the puppies to the SPCA and she agreed. I humanely euthanased the puppies at the SPCA. NFA UNTIL FURTHER NOTICE.
