General Report Comments: I was met by Elton the owner of the dogs. Elton told me that he has got the cable to install the running chains for the dogs but he does not have steel poles to attach the cable too. Both dogs are loose on the property, but he can't keep them loose as his property is not securely fenced. I told Elton that I will see what I can do regarding the steel poles so that he can install the runners. Will follow up.
