General Report Comments: I responded to complain about the dog tied to a washing pole without a shelter and water. I arrived at the property and I knock Mr Quinton came out I introduced myself and the reason I was there. I told him that the manner he tied up his dog is not acceptable. I left the notice to comply for the owner to provide a shelter for the dog and a running chain and he must always provide water all the times. Before I left the property I told him to give the dog water and he did that I will recheck after 7 days.
