General Report Comments: I saw the brown dog struggling to walk pulling the hind legs in the streets and I started following the dog. I eventually got to see where the dog belongs and I spoke to Esmeralda who confirmed that the dog belongs to her and the dog was hit with a golf stick by some drug addict in the streets. I did an inspection and I observed water and shelter. The living environment is clean. I did educate Esmeralda on what to do in future if her dog or any other animal is injured by someone or by itself. I convinced her to surrender the dog as she informed me that she can't afford to take the dog to the vet. I also issued a Notice to comply
