CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: I went with law enforcement officers, Mr. Nzozo and Mr. Sifineza to conduct a welfare inspection at number 38 Kiewiet street, Langebaan. Upon arrival we were met by the owner of the property, Mr. Heinrich Petersen who are also the owner of the dogs. Dogs observed was, 2x adult female pitbulls, 2x adult male pitbulls and 6x 8 week old pitbull puppies. The puppies was inside the house and the 4x adult dogs was loose on the property. The dogs are all in acceptable conditions and they do have shelter, water and food available. There were no welfare concerns observed. Mr. Petersen decided to surrender the 1x adult female and the 6x puppies because his in violation with the municipal bylaws relating the amount of dogs he has and the fact that he is breeding with them. Mr. Petersen would like to sterilize the 1x adult female and 1x adult male but is financially unable to do that. I told Mr. Petersen that I will speak to my manager about the sterilization and we will see if we can accommodate him. Refer to admissions D11713, D11714, D11715, D11716, D11717, D11718, D11719. Will follow up with the sterilization.
